

Neighborhood Distribution Program

Through the Neighborhood Distribution Program, the Jacobs & Cushman San Diego Food Bank feeds more than 4,500 families on average each month. Fresh fruits, vegetables and bread are a few of the items you might find at any of our twelve distribution sites throughout the county. Each household will receive 15-30 pounds of produce based on availability.

There are absolutely no requirements or documentation needed to receive food from our Neighborhood Distribution sites. Families attending are encouraged to bring reusable bags or a cart to carry the food items.
