## Emergency Extra Edition

### City Closes Shelters, Causing State-of-Emergency

This is the fault of the Mayor and City Council, who are allowing the Genovese Crime Family, which owns the news media and controls real estate prices, to cause more homeless plus ignore the problem. Until we can assemble a proper lawsuit, your help is needed to keep the City from continuing to deprive us of our Civil Rights. This needs to be an Emergency for the City, and not for us.

Stay close to tourists, tourism, restaurants, bars, and hotels, 24 hours, and no one can legally move you off a public sidewalk, so stand your ground. The laws dealing with Illegal Lodging, Must Move, Cannot Return, etc., were all thrown out by the legal system, and are NOT valid. Try to get any encounters with Security on video for the Special

Prosecutor (RICO) dealing with Organized Crime and Corruption in San Diego. You may have to go to jail, but we will try to get you cash damages for False Arrest and False Imprisonment. Make a list of your belongings, in case City and the Police take them. **This city is YOURS, and does NOT belong to the tourists, nor the foreign hotel owners!**

Stay away from Father Joe's, East Village, Neil Good, Barrio Logan, and the other "Ghetto" places that the City is trying to funnel us into. You may wish to take up residence at the Convention Center, City Hall, Seaport Village, Embarcadero, Old Town, Horton Plaza, La Jolla, Ocean Beach, or anywhere in the Trolley Loop downtown. **It is very important to stay with the tourists! Do not be harassed and intimidated into hiding in the Ghetto!**

You and your tent and bedding have a legal right to be on a public sidewalk, and anyone from the Organized Crime Families of "Clean and Safe", who made you homeless via their control of real estate, are violating the law by making you move. Cory Briggs is currently prosecuting a lawsuit against the MOB, but nobody knows, because the MOB owns all the TV stations. He and attorney Robert Scott Dreher have often helped get a little bit of fairness for us. Believe THEM, and not the "Law Clinics" that want to send you to Homeless Court. **Make no plea bargains, sign no papers waiving your rights, and see either of these 2 lawyers, or Mike Aguirre, who ran for Mayor as a "No More Corruption" candidate.** We want to see Aguirre appointed Special Prosecutor (RICO) for Organized Crime in San Diego, because he knows enough to probably send them all to prison. Please do your part, even if you unjustly get sent to jail. Thank you.
