

Hello friends. As many of you have been hearing, the Che Cafe has finally been issued its eviction. There is a lot going on and to be done. I am forwarding you all a statement of support to endorse, an invitation to bear witness to any university actions in the near future, an alumni boycott on donations, and rough scheduling whenisgood for potential support next week. In addition, **there will be a meeting Friday at 7PM at the Che to discuss future decisions more concretely.** PLEASE distribute this WIDELY. I hope we can all come together at this critical time to support the Che because Che lives! Regarding the public statement of support and invitation to witness: Reply to susan@johnhritter.com "As soon as possible, please email us your consent to add your name(s) and how you want the name(s) to appear (with position/title, etc). We will collect the endorsements and present them to the UCSD administration and to the press right away." Also, see the attached Invitation to Witness and request for a commitment.

Public Statement of Support for the C.H.E. Café and the C.H.E. Café Collective

We would like you to know that we endorse the following points and encourage you to do all you can to facilitate their fulfillment. 1) We support the C.H.E. Café continuing to function as it has for the past 35 years--a unique and invaluable asset to the University, representing diversity at it's finest and most inclusive. 2) We support the C.H.E. Café Collective continuing as the operator of the C.H.E. Café as it has for the past 35 years. 3) We support the "National Register listing" of the C.H.E. Café and the appropriateness of the "historic occupants," the C.H.E. Café Collective, to continue the site's historic use.

Sincerely,

Dear Friends and Supporters of the C.H.E. Café,

If the UCSD administration does post the final eviction order (5-day notice to vacate our home, the C.H.E. Café), it is likely that soon enough law enforcement officers will show up to enact a lock out and/or forcibly remove anybody choosing to not vacate voluntarily. We would like to have the press and the cameras and our public supporters there to witness it. We invite you to be one of the witnesses. Please email us to let us know if you will commit to being a witness (assuming you are able to be there in time). If you agree to commit to this, we request that you give us your name and phone number and tell us if you would prefer a text message or a phone call when it is time to be notified. Please hurry if you agree. We have little time to prepare. Again, we greatly appreciate your support.

The C.H.E. Café Collective
