Education is spending money we don't have to train people for jobs that don't exist. • World War Two was a fight between the German Nazis and the Jewish Nazis for control of the World Mafia. • Humans are the only dumb animal that is smart enough to exterminate itself, but most lack the raw courage needed for suicide.

“An individual who breaks a law that conscience tells him is unjust, and who willingly accepts the penalty of imprisonment in order to arouse the conscience of the community over its injustice, is in reality expressing the highest respect for the law.” ---Rev. Martin Luther King Jr.

Reign of Terror Nearly Over!

In 6 Months San Diego goes from Best-ever to Worst-ever under Todd Gloria

[Alternate State of the City Address](#)

Special Mayoral Election is Feb. 11

The one good moment in it all is that under Acting Mayor Todd Gloria, fees paid by real estate developers were increased to their previous levels. Unfortunately, the Special Mayoral Advisors that helped hundreds of homeless persons under Mayor Filner were abruptly terminated by Todd Gloria, leading to many with no more one-on-one support from the City. The two rubber tent shelters will no longer operate all year, as under Filner, either. The San Diego Homeless News is no longer being permitted to be posted at the homeless toilets on the side

of City Hall, either, which is more draconian (or Nazi) than all previous Mayors. And, speaking of toilets, we now have fewer downtown toilets than under Mayor Sanders, with several current toilets slated for removal or moving to unneeded locations. Do we really need a Court Order allowing us to PISS and SHIT on the sidewalk? We can franchise tours as the City of Shit. Instead of expanding homeless possessions storage, because nearly half who need it are on a waiting list, the whole storage program is in jeopardy. They need to find a new place to operate. The police have again become unruly, which had been something Mayor Filner held in check very well. People have been ticketed for waiting for a bus, and that is all, in some cases. The nonprofits have failed miserably at dealing with the ever-increasing numbers of poor and homeless, and the word from Gloria is that current failed programs will continue. Not what I wanted to hear.

Under Bob Filner, there was hope that San Diego could break free from the Special Interests of the Mafia and Organized Crime control of the City. Now, the 3 years of work trying to get the best possible Mayor goes for nothing. The truth is that we need public officials who are neither Democrat nor Republican. Socialist? Communist? Labor Party? No, none of that. We need politicians interested in San Diego as opposed to their own political futures within a party. The lesson we learned from electing Filner is that voting does not do anything to change government. Any GOOD candidate gets removed by the Mob. I actually was the one who had to tell candidate Mike Aguirre that if he is elected, he will be falsely accused of molesting children, made to look guilty on TV, and forced to resign. Exactly the same as the sort of lies told about Filner, except children instead of women would be hired in Hollywood to "testify".

So, our future now promises to be the same corrupt failed systems of the past 50 years, to no progresses except faint promises and tiny changes for the better. Who will restore the damage to San Diego from 8 years of Jerry Sanders as Mayor? Since two-thirds of all jobs are in Small Business, who will restore the tens of thousands of small businesses that once

employed San Diegans? I was looking thru the early archives of the San Diego Homeless News, from 2010, and they said "We Need To Elect a Liberal Mayor", and "We Need More Toilets Downtown", and much more that never happened.

The Mayoral election is February 11. So what? Elect anybody you want, and the Mafia will force them to do whatever they want, or send them to prison for something they didn't do. Sorry, but you deserve to be told the truth once in awhile. Same government, different Nazis. Jewish ones. **"We cannot be America's Finest City when we have the second-most homeless in the nation. We cannot be America's Finest City when we have up to 30% unemployed in the Central City. We cannot be America's Finest City when he have the highest rent prices as a percentage of wages in the entire country. We are more concerned with a home for the San Diego Chargers than we are a home for our homeless people. All our City money goes for super-high pensions instead of streets, sidewalks, sewer and water maintenance, beaches, parks, and infrastructure for business."** - Mike Aguirre

Homeless 303 Course

Lesson 4, MENTAL HEALTH

Continued from January. Milwaukee Free University

Just why anybody would want to associate Mental Illness with Homelessness is beyond me, but President Reagan, circa 1980, closed the mental hospitals, tossing the worst mentally ill onto the streets, and then spread the propaganda that homeless are all mentally ill. About 25% of homeless are mentally ill, about the same percentage as the rest of society. However, those mental illnesses present in the homeless, the specific types, tend to be the worst varieties, such as Schizophrenia, the more-**2** obvious forms of mental illness. I have a very good course in

what Mental Health is and is not, and it completely contradicts the bull taught in most universities. It is the truth. See www.NZ9F.com/MH. I refer to this as Mental Health Page. Dr. John Kitchin, Psychologist.

My other popular course, in the Mafia and how they control everything, is at www.NZ9F.com/Gnosis, with a new chapter on their MOB affiliates, the American Bar Association, at www.NZ9F.com/ABA. Priceless!

Inflation: Poor Man's Market Basket up 30% in 13 months!

The least expensive cup of coffee went from 90 cents to \$1.60, a 65% increase, while cheap ham-like luncheon meat (generic Spam) went from a dollar to \$1.68, a 68% increase. Real Spam, the name brand, went DOWN 25%, but none of us can afford that \$2.50 stuff, anyway. Oats and potatoes both doubled in price for the least-expensive kinds. The least expensive eggs went from a dollar to \$1.78, a 78% increase, while cheap donuts went from a dollar to \$1.28, a 28% raise. We need an **immediate** 30% raise in Social Security, SSI, SSDI, and Military Disability benefits!

Bank Theft Profitable

Just thought you should know Bank of America admitted to foreclosure fraud, was bailed out by taxpayers, and then paid no taxes on \$4.4 billion in profits.

www.occupydemocrats.com

J.P. Morgan (Stanley) Chase-Manhattan Bank paid \$11 Billion in fines in 2013, for cheating

customers and investors out of \$23 Billion, but as part of the deal, does NOT have to pay back any of the money stolen. This gives them a Theft Profit of \$12 Billion for the year. **Banks make money the Old Fashioned Way: They Steal It.** Wells Fargo Bank stole somewhat less, was also caught, and also got to keep the money. Your local Credit Union has all of the services of a bank, and the money does not go to rich criminals. See www.NZ9F.com/D/CU.

There is an opening for Nonprofit Services Manager at the San Diego Food Bank. Job is located near Miramar, supervises 3 full-time employees, and answers to the Corporate Vice President. MicroSoft is BLOCKING e-mail into and out of this website, so many of you are not getting the services you have come to expect. This is part of rich, corporate shit-heads trying to derail the help of those starving and in-need. I especially apologize for not being able to help veterans and their families. 3

Reader Comments:

A.) Several Downtown San Diego real estate agents asked to receive the SD Homeless News, and, surprisingly, liked it. My college course 303 does cut thru the usual bull. NZ9F.com/303.

B.) Melanie Stuart complained about "inaccuracies" in my reporting on the Girls Think Tank, but did not explain what. I wanted to publish what she had to say. For the complete evaluation, see NZ9F.com/GTT.

C.) I want to thank the Underground Press Association for receiving its highest awards for the two November editions, and the December and January editions. Thank you. I plan to continue having the only truthful and non-Mafia printed newspaper in San Diego. There are other good ones on-line, such as the San Diego Free Press and the OB Rag.

D.) Several people on Facebook tell me that 37 died from marijuana "overdoses" in Colorado on the first day of legalization. Since it takes about \$3,000 worth of pot to kill one human, I am skeptical. Plain water is more toxic than marijuana when it comes to causing death. Should we outlaw water?

E.) Several comments saying that I short-changed the Nonprofits. The ones I see are doing government work for poor people. There are others, dealing with science or hobbies that are just fine, such as the American Radio Relay League, the Ham Operators union. The more tax money a nonprofit gets, the more corrupt it becomes. A pity. TACO, the Third Avenue Charitable Organization is one rare helping nonprofit that is okay.

Salvation Army: 157 Counts of Child Sexual Abuse

Australia - BOYS sent to live in Salvation Army homes were subjected to brutal sexual abuse and daily rituals of forced labor and sadistic punishment - from being locked in cages for days to eating their own vomit. Salvation Army captain, Lawrence Wilson, described by his own organisation as the "most serious offender" in the eastern states, had 17 victims level sexual abuse allegations against him, including that he sent boys to other adults' homes for further exploitation. 157 claims relating to child sexual abuse within the Salvation Army...have so far been received; 133 of which resulted in apologies and payouts... The hearings continue today.

Meetings

The **Metropolitan Area Providers of Social Services** was the only group of those we cover to hold a meeting since last issue. Jan. 22, with 20 present, heavy on healthcare and government-related health persons, 2 ministers. • There will be a Resource Faire **March 19** at Father Joe's, 1:30 to 3:30 PM, for Nonprofits and Other Service Providers to advertise, network, and meet potential clients. The usual services are housing, healthcare, legal aid, and veterans services. Nonprofits and Service Providers who wish to have a table contact Joe Zilvinskis, joe@interfaithshelter.org. This will be held just 12 days prior to the two rubber shelter tents closing. • **StreetLinks**, a learning session for those who are Case Managers is FREE unless expenses are incurred, and suggestions were: ObamaCare, Employment for upcoming meetings. Meetings are FREE and open to those who provide social services. • **Problem Solving Forum**: Under Prop. 36, many thousands of 3-strike offenders have been released from the prison system, and find themselves homeless and without identification. The State cannot even locate their possessions, because they were never to be let out of prison again. And, relatives cannot find their Birth Certificates, for the same reason. Everyone had given up. • **Rental Assistance, help paying rent, shelter services, and hotel vouchers are available.** You can get moving expenses, a truck, a security deposit, and the first 3 months rent, provided you can prove that you will be able to pay the rent on your own after that. Also available, the Interfaith Shelter Network, night-only shelters, case managed, singles or families, 8 weeks maximum. No proof of citizenship nor marriage required (accepts common-law marriage, without official documents.) **Since it is almost impossible to get thru on "211", these are the phone numbers to access shelter money for food, shelters, rental assistance, utilities, etc.:**

San Diego Inland, Marion Keller, 619-231-2828 X103 • **North County Coastal**, Lelani Perrelli, 760-753-8300 X1319 •

Escondido, Victor Hernandez, 760-489-6380 X245 • **Beaches**, Rene Gonzalez, 619-232-2753 X101 • **South Bay - Chula Vista**, J. Alberto Martinez, 619-407-4843 • **East County has 2 different agencies**, John Lutack, 619-444-1194 X310 **OR** Caitlin Pfaff and Renika Battles, 619-447-2428 X31 and X23. • **Clairmont - Kearny Mesa**, John Burgi, 858-974-3603 X236.

La Posada Shelter in Carlsbad is almost always available. Call Lelani Perrelli, above. Also remember that Tijuana has hotels from \$2 a night, and shelters as low as 50 cents a night. You no longer need any identification to cross the border in either direction, but it helps to have some. • **ERG and MAPPS Merger**: MAPSS voted NOT to merge with ERG, but invites their members to join MAPSS. Vote was 20-0. • **New Benefits Levels for SSI, SSDI, and other Disability Income.** If you are over 65 or disabled, you currently get \$950, which will go up \$15 to \$965. Unfortunately, PRICES went up \$285 in the Poor Man's Market Basket. Fortunately, the Middle Class suffers less inflation than that, because they buy entirely different items than we do. •
