

# HOMELESS CITY NEWS

Triple the Homeless % of Anywhere Else in the World

## San Diego Homeless News • STREET EDITION • May-June 2014

**REGULAR EDITION:** [www.NZ9F.com/SDHN](http://www.NZ9F.com/SDHN)

**SUBSCRIBE:** [nz9f@hotmail.com](mailto:nz9f@hotmail.com): Visit any library to use a computer for free or learn how. See below.

**SET UP FREE E-MAIL:** [www.hotmail.com](http://www.hotmail.com).

**FINDING RESOURCES:** Our homeless-owned website at [www.NZ9F.com](http://www.NZ9F.com) has icons that you can click on for the food pantries, meals, shelters, meetings, news, and even college courses in homelessness. Nowadays, you use a computer to find the meals, food pantries, shelters, and other resources, and libraries will teach you. Applying for jobs is done by computer too. Computers let you watch TV, read your e-mail and play movies, which the library has, free. Libraries have toilets and water, and the Downtown Library is on the northeast corner of the Petco Park complex. If our website for finding things at [www.NZ9F.com](http://www.NZ9F.com) is blocked at a library as "Adult", have the librarian unblock it. There is no porn, just adult discussions of topics.

**NEW STORAGE FACILITY:** Girls Think Tank Storage Facility at 252 16<sup>th</sup> St. will store what you own so that you can go apply for jobs, see the doctor, or use the library.

**PLASMA DONORS NEEDED:** Scantibodies is paying \$55 for blood plasma, once a week. 1068 Broadway, El Cajon, 619-440-0263. [donations@scantibodies.com](mailto:donations@scantibodies.com).

**OVERNIGHT LAW:** You have a **RIGHT** to sleep **undisturbed** overnight (9 PM to 6 AM) on **City** Property, because the homeless problem was proven in court to be the fault of the City entirely. This excludes Downtown, unless the main shelter is full. At this time, even Downtown overnight stays are permitted, since the Barrio Logan tent shelter has turned people away after 8 PM every evening. Make sure you are on **City**, and **not County, State**, or **Private** property. Sidewalks near County buildings are County, and you go to jail. The Daytime "Illegal Lodging" Ordinances are also not valid, so get a ticket and then see a free legal clinic to get the ticket dismissed as not valid.

**LEGAL CLINICS:** Father Joe's Main Desk, weekdays, has a clinic, as well as Girls Think Tank, weekly, and Neil Good Center, weekly. Free lawyers, good ones.

**MIND CONTROL WARNING:** All the free food contains mountains of **control-dope** to hypnotize you and make you shut up, stop complaining, obey, mind your own business, and believe whatever bullshit the government says on TV. The military uses so much of this stuff that they have soldiers committing suicide, one of the problems with using too much. They need to make sure that soldiers follow orders. It takes 3 months to get it out of your body, and causes hundreds of different problems. See [www.NZ9F.com/Gnosis](http://www.NZ9F.com/Gnosis).

**EBT-SNAP:** \$200 every month. Any Social Worker.

**EITC CHECKS:** File your taxes even now (late) to get an EITC Check. Many agencies help you file free.

**SLEEPING IN YOUR CAR:** Requires a permit. Contact Dreams For Change, 619-497-0236 for permits and free parking, or

[Teresa@dreamsforchange.org](mailto:Teresa@dreamsforchange.org).

**SSI BENEFITS:** Everyone qualifies, unless you get Unemployment, have a good-paying job, or have over \$2,000 in the bank. \$960 a month, which includes your \$200 EBT-SNAP money, and they want some story about alcohol, drugs, or mental illness, to avoid admitting that Economic Repression is the real cause.

**BANKS, SERVICE CHARGES:** Never pay a fee for a debit card, bank account, or ATM charges. See any Credit Union for free services. [www.NZ9F.com/D/CU](http://www.NZ9F.com/D/CU).

**OFFENDERS:** Ask your Parole Agent about going back to prison, so you then have a bed, blanket, shower, toilet, food, clothing, laundry services, and much more. In the meantime, a list of ALL the companies that hire those with a criminal record appears at [www.NZ9F.com/E](http://www.NZ9F.com/E), bottom of the page. Small businesses also hire offenders (not listed).

**VETERANS:** [www.NZ9F.com/Vets](http://www.NZ9F.com/Vets).

**FOOD:** Meals [www.NZ9F.com/B](http://www.NZ9F.com/B); Other food [www.NZ9F.com/F](http://www.NZ9F.com/F).

**HEALTHCARE:** **Medi-Cal now includes Dental**, and YOU have Medi-Cal. You can get healthcare anywhere, including a rich doctor in La Jolla. No need to stand in line for hours to use a filthy clinic designed for poor folks. Find a doctor you like, ask what insurance they accept, and then obtain that at 1-888-975-1142, Dental: 1-800-322-6384, Spanish 1-800-303-0213.

**EYEGASSES:** Both eye exams and glasses can be had. Get a prescription (referral) for an eye exam from any doctor (see Healthcare, above), then call Adelita at 619-515-2398.

**PSYCHIATRIC HELP:** Connections Housing on 6<sup>th</sup> and A has walk-in non-emergency psychiatric help on Wednesdays at 7:45 AM. Emergencies, 211 or 911.

**SHELTERS:** The winter tent shelters close June 30, unless renewed by the City. Also phone "211".

**SEX HOUSING:** Many women (about 18,000 in San Diego) trade sex for a place to live, usually in the Beaches and La Jolla, where one wealthy man has as many as 35 women living with him. If you are interested, see the taverns of Pacific Beach, weekend evenings, and ask around.

**EMERGENCY HOUSING:** Tijuana has apartments as low as \$2 a night, and hotels as low as \$6 per night, and you no longer need a passport to cross the border or get back. Have some form of picture ID issued by a unit of government. Free ID cards at Neil Good, 299 17<sup>th</sup> St.

**CELL PHONES:** California Lifeline has free cell phones, PO Box 8417, Westminster, CA 92684, NO telephone access, [cpuc.ca.gov/PUC/Telco/Public+Programs/ults.htm](http://cpuc.ca.gov/PUC/Telco/Public+Programs/ults.htm) The US government also has free cell phones, on Cricket, Nexus/ReachOut, Virgin Mobile/Assurance, and Telscape, <http://www.cpuc.ca.gov/PUC/Telco/Public+Programs/fedlifelinewireless.htm> You can also call them at: Cricket, 1-800-975-3708 • Nexus-ReachOut, 1-877-777-1914 • Virgin Mobile - Assurance, 1-888-898-4888 • Telscape, 1-800-835-7227.
